5th Annual Garage Sale

May 18 & 19, 2018

8:00 AM to 5:00 PM

Coy Estrada Residence
723 Valley Ave East
Sumner, WA 98390

Time to gather up all of your “no-longer-needed” garage sale items for TCC’s Annual Garage Sale. This has turned out to be a hugely successful fundraiser for the club, so this is a pretty big couple of days for us at TCC.

This year our garage sale will be at Coy Estrada’s house which is on the other side of the street and two doors north of my old property on Valley Ave. Coy has been a friend of the Lynch family for many years and has graciously offered up his house for our function.

You can bring items to Coy’s house on Thursday, May 16 during the day and evening, as I plan to be there all day. I will be making several trips to his house during the week to drop off stuff I already have. If you need help transporting items, be sure to call me and maybe I can help out with my pickup. If Thursday doesn’t work for you, call me and I’ll arrange to meet you during the week. I will also have my pickup at our Friday, May 11th meeting.

Remember...These items do not have to be car related...just ordinary things that you would put into a typical garage sale.

We need plenty of volunteers for both Friday, May 18th and Saturday, May 19th, so please sign up for a 2 or 4 hour shift for either day. Also please bring a side dish to help feed the garage sale volunteers. I will be cooking hot dogs and burgers on the grill.

This is an event that has turned out to be a great deal of fun and absolutely hilarious at times with all of the personalities that show up to participate. We have raised approximately \$1500 each of the last 4 years, due to a great amount of donated items to sell and a large number of participants from the club.

A signup sheet will be available at the May 11th General Membership Meeting.

Feel free to call me about volunteering or getting your items to the house.
