Annual Garage Sale

May 17 & 18, 2019

8:00 AM to 5:00 PM

Coy Estrada Residence

723 Valley Ave East

Sumner, WA 98390

Time to gather up all of your no-longer-needed garage sale items for TCC's Annual Garage Sale next month. This has turned out to be a hugely successful fundraiser for the club, so this is a pretty big couple of days for us at TCC.

This year our garage sale will be at Coy Estrada's house, which is two doors north of my old property on Valley Ave, but on the other side of the street. Coy has been a friend of the Lynch family for many years, and has graciously offered up his house for our function.

You can bring items to Coy's house on Thursday, May 16 during the day and evening, as I plan to be there all day. I will be making several trips to his house during the week to drop off stuff I already have. If you need help transporting items, be sure to call me and maybe I can help out with my pickup. If Thursday doesn't work for you, call me and I'll arrange to meet you during the week. I will also have my pickup at our meeting next week.

These items do not have to be car related; just ordinary things that you would put into a typical garage sale.

We need plenty of volunteers for both Friday and Saturday, so be sure to get signed up for a 2 or 4 hour shift for either day. Please bring a side dish to help feed the masses. I will be cooking hot dogs and burgers on the grill.

This is an event that has turned out to be a great deal of fun and absolutely hilarious at times with all of the personalities that show up to participate. We have raised in the neighborhood of \$1500 each of the last 5 years, due to a great amount of donated items to sell and a large number of participants from the club.

A signup sheet will be available at the May General Membership Meeting.

Feel free to call me about volunteering or getting your items to the house.
